Industrial Cleaning, Commercial Cleaning , Janitorial and Cleaning Supplies

Who ?

Abbey Cleaning Limited, based in Wolverhampton, supply a high standard of cleaning services to commerce and industry, with the experience to cover all the customers requirements. Operating throughout the West Midlands, and national accounts in the UK.

Abbey Janitorial, a division of Abbey Cleaning Limited, supply of a vast array of cleaning materials and spares from the top manufacturers in the UK.

Most products are carried in stock and can be supplied next day.

Approved agents for Prochem, Selden Research, Ramon Hygiene, Scott Young & Robert Scott.

Why ?

Abbey Cleaning Limited was founded in 1986 and is now one of the largest independent cleaning companies in the Midlands. Based in Wolverhampton, West Midlands it is ideally located to support it's local city base, but also has easy access to the motorway network to offer fast and efficient service throughout the Midlands.

Abbey stands by the policies and customer pledge it made in the eighties, to provide all its customers with the highest standard of commercial and industrial cleaning, and meet all its customers expectations.

Today Abbey stands high above many of it's competitors by offering value for money, quality service combined with over thirty years of experience.

What ?

Abbey Cleaning Limited can supply all the cleaning services and materials you need to keep your offices, shop, factory or catering outlet clean.

This can be contract daily or periodic cleaning such as Washroom Cleaning, WC Services, Daily Office Cleaning, VDU Cleaning, and Carpet Cleaning.

Also industrial cleaning services that are above and beyond that of your daily cleaning requirements and often require specialist knowledge and cleaning chemicals. Such as deep cleaning and full sanitisation.

Industrial Cleaning, Commercial Cleaning , Janitorial and Cleaning Supplies

Our Services

Commercial Cleaning

Abbey Cleaning Limited can supply all the cleaning services you need to keep your offices, shop or retail outlet clean.

This can be daily or periodic cleaning such as Washroom Cleaning, WC Services, Daily Office Cleaning, VDU Cleaning, Hygiene Services and Carpet Cleaning. Corporate contracts are our speciality and our fully trained staff can help and advise you on all our services.

Maintain your corporate appearance and give you staff a clean place to work.

Industrial Cleaning

Abbey Cleaning Limited can provide periodic cleaning services for industrial premises. These are services that are above and beyond that of your daily cleaning requirements and often require specialist knowledge and cleaning chemicals.

These can include cleaning internal walls, ceilings and lights, external fascias and fabrications, floor preparation and pressure washing, removal of grease residues in catering establishments and deep cleaning of kitchens and sanitising of washrooms.

All our staff are fully trained in all the products we supply and use and COSHH (Control of Substances Hazardous to Health) Datasheets for the cleaning chemicals we supply can be provided.

Carpet Cleaning

Abbey Cleaning Limited offer commercial and domestic carpet cleaning services.

Commercial premises can be surveyed to assess the method of carpet cleaning that is required and advise on how difficult stains and heavy traffic marks can be removed.

Various techniques of carpet cleaning are available including; normal wet extraction, rotary scrubbing and hot water extraction.

Abbey only uses top quality products including Prochem to ensure professional and lasting results.

Janitorial Supplies

Abbey Janitorial are providers of high quality specialist cleaning products to the industrial and commercial sectors. Not only do we supply the products we use them as well, so you can be guaranteed our product knowledge and quality is second to none.

Most products are carried in stock and can be supplied next day. With a wide range of products in stock at our head office in Wolverhampton same day collection by yourselves can more often than not be accommodated for.

We supply janitorial and cleaning products required by commercial and industrial premises including all cleaning materials and paper products.

Abbey are approved agents for Prochem, Selden Research, Ramon Hygiene, Scott Young Research & Robert Scott.
